Texas Association of Mediators Receives Grant from Texas Bar Foundation for 2025 Professional Development Conference

The Texas Association of Mediators (TAM) is pleased to announce the generous support of the Texas Bar Foundation for the upcoming 2025 Professional Development Conference, to be held in El Paso, Texas, on March 28-29, 2025, in celebration of its 40th anniversary. This esteemed conference will bring together mediators, legal professionals, and community leaders from across Texas to advance the field of mediation and collaborative conflict resolution. For more information about TAM and the conference go to www.txmediator.org/conference.

Since its inception in 1965, the Texas Bar Foundation has awarded over \$28 million in grants to law-related programs that benefit Texas communities. As the nation's largest charitably funded bar foundation, supported by members of the State Bar of Texas, the Texas Bar Foundation plays an essential role in fostering educational and professional development opportunities within the legal and mediation communities. TAM is honored to be a recipient of this distinguished support.

The grant will specifically aid in covering audio/visual expenses during the conference, ensuring a high-quality experience for attendees as they engage in innovative workshops, insightful presentations, and dynamic discussions on the evolving role of mediation in Texas. The Texas Association of Mediators extends its heartfelt gratitude to the Texas Bar Foundation for its commitment to enhancing the mediation profession and fostering a collaborative environment for professional growth and learning.

About the Texas Association of Mediators

Founded in 1984, TAM is dedicated to promoting high standards of conduct, fostering the use of mediation, and supporting the professional development of Texas mediators. TAM's mission is to advance mediation as an accessible and effective method for conflict resolution across diverse sectors.
